

INTERCESSORS FOR UGANDA

10 DAYS OF PRAYER

A CALL FOR NATIONAL PRAYER

"Arise and Stand in the Gap for Our Nation"

**THEME
SCRIPTURE:**

"When the enemy comes in like a flood, the Spirit of the Lord will lift up a standard against him."
- Isaiah 59:19 -

1. BACKGROUND

There has been a build up of occurrences all pointing to the spirit of death and blood shed over our nation that can not be ignored. Below are a few outlined:

- On the 2nd April, 2026, Mr. Okello Onyum murdered four toddlers in cold blood from a Kindergarten/ Day Care Centre in Ggaba- Kampala.
- On the 3rd June 2026, Makindye Senior Secondary School, staged a drama/ prom, which depicted a lot of satanic symbolism, including staging a death by one of the students.
- On the 5th June 2026, Sydney Gongodyo, a young rugby player was lynched under mysterious circumstances.
- Scattered deaths connected to Schools followed, including those arising from suicides and from malaria.

The above concurrences could have been administratively and legally handled, but we perceive there are spiritual aspects to them that must be dealt with.

Most recently, Uganda has witnessed a disturbing escalation in road traffic accidents, resulting in the tragic loss of many lives. Of particular concern are the recent accidents involving school children on educational field trips, leaving families, schools, and communities in deep sorrow. There were five major ones over the past ten days.

During a Board Retreat of Intercessors for Uganda (IFU) held on 11th July 2026, one of the Board members got and shared a vision. In the vision he saw sword like traps planted by the enemy all over our roads to cause destruction; accidents and bloodshed. Then he saw a strong white giant, who overpowered a restraining evil being, and went ahead to begin systematically removing the traps of the enemy. Later, a spray of light came from in front and cleared all the traps and the roads became safe. The Lord then gave an interpretation saying the giant is Intercessors for Uganda (IFU), that we need to rise and pray, and deal with the evil plantings on our roads all over the nation.

As Intercessors For Uganda (IFU), our key calling is to be watchmen over the land (Ezekiel 22:30), as well as to be a prophetic voice to the nation, With the above background, we are rising up in prayer, and at the same time calling upon the Body of Christ to take a redemptive prayer action.

2. THE CALL:

We are calling upon all intercessors, and all believers across Uganda to a united time of prayer with fasting, to seek God's mercy, protection, and preservation over the nation's transport routes with repentance, and prophetic prayer actions. We believe that this is a defining moment for the Church to unite in prayer and declare God's protection over Uganda.

Let us all arise:

Leaders and members of IFU, the Houses of Prayer, Church leaders and congregations, Prayer ministries and networks, Youth and student prayer movements, the Children, Christian families and indeed every believer burdened for Uganda.

Conclusion

This is not merely another prayer event—it is a prophetic national response to a matter affecting every family in Uganda. As watchmen, we cannot remain silent while innocent lives continue to be lost. Now is the time to arise, unite, and stand in the gap for our nation. "The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full." — John 10:10
